the day of his death. One evening when I was a boy about nine or ten years of age, my father failed to come home after his daily toll, and it helug pay-day night, mother knew girl aged four years was missing. It

remember the look that came over my mother's face as she gaged at that form in the shape of a man and then at me, her only child. She bade me go down on my knees there in the cold and wet, and she exacted a pledge from me that I would never let drink so control me that I might at any time in my life be in the same condition as my father was then it, I gave the piedge she askthen in, I gave the piedge she ask- SOUTH BAY HAS ed and I have kept it. Mother was wise not to put me under a pledge never to taste a drop of liquor, for well she knew such a pledge would be violated sooner or later, but sha put me under a pledge that, to use a slang phrase, left it to me as to how the vessel is ready to proceed to her

paign, but I assure you that I am strictly the reverse. I can not say that I am a lover of saloons or sane-tion the sale of llong to th ider me good timber for their camtion the sale of liquor to every per- of ballots, east in a cause entirely son who applies for it. In fact, I new to these Islands. have no use for liquor and very little use for those who seem to be exercised over the fact that one man

somewhere between five hundred down here. and a thousand people in these islands connected with the liquor bus- that is getting me riled up and, aciness, not including barkeepers and cording to the prohibitionists, vote saloon owners, who are earning their against my own interests.

Ilving by giving an equivalent in Don't let this be taken as a chant time and labor for the wages they from the liquor interests of the lareceive. If prohibition obtains, what lands, for it is not. I have been in is to become of this large number of these Islands for nearly fifteen years, ment paying as good wages?

at hand, but the money paid into the ideas on the matter, wouldn't you treasury of the Territory by the liq-vote to help your neighbor who has not interests must amount to many not the will power of yourself?" thousands of dollars. This, added to There is where I again exhibit my the other amounts that are paid in heart of stone. There was once a through other channels of trade, is time when one-half of the world was found just about sufficient to make very solicitous for the world was very solicitous for the welfare of the both ends meet in the matter of running the public business. Now, Mr. Prohibitionist, if you knock this nice know how the other half lived; and little glice, represented by the liquor we are now living in a generation interest taxes, off the general collectable fund, who is going to make up the difference, or, at least, where up the difference, or, at least, where half lives; and on the surface are more sults will show that there are more make up the total? You will be the people living in the spirit or the first to "raise the roof" when your taxes are raised about twenty-five the past two.

But that is not the main point on directly in the liquor cause are not which I am balking. There is a few, and there are many others feeling of independence, such as has lately been exhibited by Mr. Fair-tionists of going over their heads to banks and more recently by Mr. the legislative halls at Washington. Roosevelt, during their visits to and still others who hold the reliar litary. I personally feel as if Congress, Woolley or someone or some thing was trying to "butt in" on Territory affairs, and they have 30 confront the "dry" workers in July.
